Closing Words	<i>May We Be Aware</i>	Frederick E. Gillis
Extinguish Chalice		

In regard to commitment to best practices: “When you feel angry, it is best to refrain from doing anything. You may like to withdraw your attention from the person or situation that is watering the seed of anger in you. Take time to come back to yourself.”

~Thich Nhat Hahn

A virtual coffee time for greeting and conversing with others
in small groups will follow the service.

We invite everyone to join.
