

Hymn Lyrics for February 5, 2023

Hymn No. 18, "What Wondrous Love"

What wondrous love is this, O my soul, O my soul, what wondrous love is this, O my soul?
What wondrous love is this that brings my heart such bliss, and takes away the pain of my soul,
of my soul, and takes away the pain of my soul.

When I was sinking down, sinking down, sinking down, when I was sinking down, sinking down,
when I was sinking down beneath my sorrows ground, friends to me gather'd round, O my soul,
O my soul, friends to ne gather'd round, O my soul.

To love and to all friends I will sing, I will sing, to love and to all friends I will sing.
To love and to all friends who pain and sorrow mend, with thanks unto the end I will sing, I will sing,
With thanks unto the end I will sing.

The Beatles: "All You Need is Love"

Chorus:

All you need is love
All you need is love
All you need is love, love
Love is all you need

Love, love, love
Love, love, love
Love, love, love

Love, love, love
Love, love, love
Love, love, love

Chorus

There's nothing you can do that can't be done
Nothing you can sing that can't be sung
Nothing you can say,
but you can learn how to play the game
It's easy

There's nothing you can know that isn't known
Nothing you can see that isn't shown
There's nowhere you can be
that isn't where you're meant to be
It's easy

Chorus

Nothing you can make that can't be made
No one you can save that can't be saved
Nothing you can do,
but you can learn how to be you in time
It's easy

All you need is love (all together now)
All you need is love (everybody)
All you need is love, love
Love is all you need

Hymn No. 299, "Make Channels for the Streams of Love"

Make channels for the streams of love where they may broadly run; and love has overflowing streams
to fill them everyone.

But if at any time we cease such channels to provide, the very founts of love for us will soon be
parched and dried.

For we must share, if we would keep this gift all else above; we cease to give, we cease to have—
such is the law of love.
