2024-25 Stewardship Campaign

We have seen many changes – the turnover of all our key Church staff, the unfortunate passing of several of our long-time members, and the multiple efforts needed to keep our building and grounds safe and functioning well. However, we have also experienced some wonderful changes: the infusion of new people into our Church and community, and the growth of our Children's Religious Exploration program, and banding together with other churches in Wichita as part of Justice Together to support common social justice initiatives. These are but three of the many positive changes we have experienced.

Each year we ask every member and active friend to pledge to donate money to our church to cover our bills, for everything from salaries and speaker fees, to our utilities and mortgage, to important social action initiatives and caring for members and friends in times of need. We need to know how much money we can expect from each individual throughout the year in order to make and utilize a budget.

Please support our church as we move into an exciting new year! Pledges will help support our work for the upcoming fiscal year, July 2024-June 2025. Pledge packets are located near the door and can also be requested via office@firstuu.net. We ask for pledge forms to be submitted by April 12th. Thank you.

- Justice, equity and compassion in human relations.
- Acceptance of one another and encouragement to spiritual growth in our congregations.
- A free and responsible search for truth and meaning.
- The right of conscience and the use of the democratic process within our congregations and in society at large.
- The goal of world community with peace, liberty, and justice for all.
- Respect for the interdependent web of all existence of which we are a part.

As you seat yourself, please leave one empty chair between your party and the next one to social distance.

First Unitarian Universalist Church of Wichita honors the principle of freedom of the pulpit. In keeping with that principle, the views expressed by the presenters or congregants are solely their personal opinions. While we acknowledge the ideas and opinions of every individual, this church does not endorse any point of view or political choice.

First UU Church is open for all services and activities regardless of your vaccination status, the Board strongly recommends that all of us be vaccinated and asks that we continue to practice social distancing, when possible, especially when around members and friends who are still opting to wear masks. Online Zoom access is provided for those who cannot attend services or events in person. Fellowship Time is for refreshments and conversation. All invited to stay after the service for coffee and fellowship.

Inclement Weather Policy

In the event that inclement weather may jeopardize safety for in-person Sunday service, in consultation with others, President Ned Lakin will determine whether to cancel an in-person Sunday service and offer a Zoom-only Sunday service option. If an in-person Sunday service is cancelled due to inclement weather, by no later than the preceding Saturday

- a cancelled service announcement will be submitted to KSN, KAKE, and KWCH to be included on their TV programming listing cancellations across the area for the upcoming Sunday,
- an email will be sent out confirming the cancellation,
- the church voicemail will be changed to reflect the cancellation, and
- the website will be updated to reflect the in-person cancellation.

The Zoom details can be obtained by going to <https://firstuu.net/events/future-services/> and clicking on the name of the Sunday service to obtain Zoom details.

Children’s Religious Exploration

March in Children’s Religious Exploration will be centered around transformation. We will learn about many religious spring holidays. Hand-on and crafty lessons will focus on celebrating change in our lives and in the world around us.

Children’s RE is also looking for volunteers for helpers in our classroom. If you are interested in helping out, please scan the Q code below. We will be looking for summer presenters soon, too- so be thinking of a lesson you might want to teach the kids in our congregation!

Volunteer Opportunity

Volunteers are wanted for Lobby Monitor during the Church service each Sunday morning. See Ned Lakin for more information or to volunteer.

Reason Everyone in Church Ought to Wear a Nametag

Few people know everybody in the church. Even in the smallest churches, it’s sometimes difficult to remember everybody’s name. As the church grows, that task becomes even more difficult.
