January 29, 2026

Dear Member of First UU Church of Wichita,

It is our mission to be:

A welcoming community with diverse beliefs united for positive change.

It is our shared vision:

To celebrate the challenge of living and growing together as a congregation, which promotes leadership that

– honors intellectual, spiritual, and cultural diversity,

– nurtures human relationship, personal growth, and creativity,

– enriches life through purposeful artistic, spiritual, and environmental engagement,

– and pursues justice of all kinds for all people.

This letter is a notice and an invitation to our Mid-Year Congregational Business Meeting, which will be held shortly* after the regular service on Sunday, February 15, 2026.

Our Bylaws state that no fewer than 25% of voting Church members must be present in order to conduct business. That comes to at least twenty-eight members. You are the ultimate decision-makers for First UU, so we need you to attend and vote. Voting can be done In-Person or by Absentee Ballot (enclosed).

The agenda is not long, but it does contain items important to the functioning of First UU. Your presence and vote will help us continue our work.

Sincerely yours,
Ellie Shore, President

*Between the Sunday Service and the Business Meeting pizza will be available, so you won't have to make decisions on an empty stomach! There also will be a display of photos of Children's RE kids, to delight parents and the rest of us.
